

**NEW BRUNSWICK ENERGY AND UTILITIES BOARD**

**IN THE MATTER** of reliability standard PER-005 and Section 119 (1) of the *Electricity Act*, S.N.B. 2013, c. 7.

**ORDER**

**WHEREAS** the New Brunswick Energy and Utilities Board (Board) has received an Application and evidence (Application) from the New Brunswick Power Corporation (NB Power) pursuant to the *Electricity Act S.N.B. 2013 c. 7* and pursuant to *Regulation 2013-66*, being the *Reliability Standards Regulation-Electricity Act* seeking the following approval:

(a) an Order:

- (1) approving modifications of Board approved reliability standard PER-005-1 by approving new version PER-005-2 and NB Appendix PER-005-2-NB-0, and
- (2) approving retirement of existing Board approved reliability standard PER-005-1 and

(b) Orders and/or directions with respect to such other matters as the Board sees fit.

**AND WHEREAS** pursuant to section 8 of the *Reliability Standards Regulation-Electricity Act* the Board is required to notify all registered entities, the North American Electric Reliability Corporation (NERC) as the standards body and the Northeast Power Coordinating Council (NPCC) as the compliance body, of this Application;

**AND WHEREAS** pursuant to section 8 of the *Reliability Standards Regulation-Electricity Act* the Board is required to post the Application on its website;

**NOW THEREFORE IT IS ORDERED THAT:**

1. A copy of the Application shall be posted on the Board's website at [www.nbeub.ca](http://www.nbeub.ca) commencing no later than Wednesday August 27, 2014 in both English and French;
2. Notices, in both English and French, in the form attached hereto and marked "A" are to be provided by Board staff to all registered entities, NERC and NPCC on or before Wednesday August 27, 2014;
3. Notices, in both English and French, in the form attached hereto and marked "A" are to be posted on the Board's website at [www.nbeub.ca](http://www.nbeub.ca) commencing no later than Wednesday August 27, 2014 and shall remain posted until at least Monday October 27, 2014;
4. Written comments on the Application are to be received in the Board's offices on or before Monday October 27, 2014. Written comments can be emailed to [general@nbeub.ca](mailto:general@nbeub.ca) or by using the contact information below. Please refer to Matter No. 262 in your correspondence.

Website: [www.nbeub.ca](http://www.nbeub.ca)

5. Pursuant to section 8 of the *Reliability Standards Regulation-Electricity Act*, the Board shall approve the requested Application together with any non-substantive modifications it considers appropriate:
  - (a) if NB Power makes no recommendation for any substantive modification to the reliability standards as approved by the Federal Energy Regulatory Commission of the United States of America (FERC) and
  - (b) if, during the comment period, there are no substantive comments received from a registered entity, the standards body or the compliance body.
6. If the requested modifications or comments are substantive, a hearing shall be held by the Board in respect of the Application.

**DATED** at the City of Saint John, New Brunswick, this 27<sup>th</sup> day of August 2014.

**BY THE BOARD**

**Kathleen Mitchell  
Chief Clerk**
