North American Electric Reliability Corporation

Docket No. RR15-16-000

ERRATA NOTICE

(November 4, 2015)

On November 2, 2015, the Commission issued an “Order On 2016 Business Plans and Budgets,” in the above-captioned proceeding. *North American Electric Reliability Corporation*, 153 FERC ¶ 61,134 (2015). Footnote 66 of that order is revised to read as follows:

⁶⁶ Several commenters in the proceeding addressing NERC’s petition for approval of revised Delegation Agreements between NERC and each Regional Entity raise similar issues regarding whether specific tasks are eligible for funding under FPA section 215. In an order issuing concurrently with the order in this proceeding, the Commission states that it defers review of section 215 funding for specific tasks to the annual NERC business plan and budget. *North American Electric Reliability Corp.*, **153** FERC ¶ 61,135, at P 38 (2015).
