Re: *North American Electric Reliability Corporation*
****FERC Docket No. RR09-6-000****

Dear Ms. Bose:

On December 23, 2010, the North American Electric Reliability Corporation (“NERC”) submitted a Compliance Filing in Response to the March 18, 2010 Commission Order Directing Revisions to the standards development procedure in the above-referenced docket. On January 10, 2010, NERC submitted an errata to that filing correcting the attachments. It has come to NERC’s attention that references to “Appendix 4D” of the NERC Rules of Procedure in the body of the letter and in the Attachment covers should read “Section 300.”

Accordingly, NERC respectfully requests that the Commission take note of this errata filing, and issue an order consistent with NERC’s filings submitted in this proceeding.

Respectfully submitted,

/s/ Holly A. Hawkins
