Re: North American Electric Reliability Corporation and ReliabilityFirst Corporation, Response to June 24, 2011 Request for Data and Documents, Docket No. NP11-184-000

Dear Secretary Bose:

Pursuant to the June 24, 2011 Request for Data and Documents issued by Director of the Federal Energy Regulatory Commission (“Commission”) Office of Enforcement, the North American Electric Reliability Corporation (“NERC”) and ReliabilityFirst Corporation (“ReliabilityFirst”) hereby submit their Non-Public Exhibit 1 Response.

Information set forth in the Non-Public Exhibit 1 Response and its Non-Public Attachment A include privileged and confidential information, pursuant to the Commission’s regulations at 18 C.F.R. Part 388 and orders, as well as the NERC Rules of Procedure, including the NERC Uniform Compliance Monitoring and Enforcement Program. Accordingly, NERC and ReliabilityFirst respectfully request that the Commission classify and treat the Non-Public Exhibit 1 Response and Non-Public Attachments A through D as confidential, non-public information.

Please contact the undersigned if you have any questions.

Respectfully submitted,

/s/ Rebecca J. Michael
