OF
SERC RELIABILITY CORPORATION
[Hereinafter referred to as the “Corporation”]
A North Carolina Nonprofit Corporation

ARTICLE I - OFFICES

1.1 **Principal Office**. The principal office of the Corporation shall be located in the City of Charlotte, Mecklenburg County, North Carolina. The Board of Directors (or “the Board”) may by resolution change the location of this office from time to time.

1.2 **Other Offices**. The Corporation may have other offices at such place or places as the Board of Directors may from time to time appoint or the business of the Corporation may require.

ARTICLE II - PURPOSES

2.1 **General Purposes**. The purpose of the Corporation is to reduce risks to the reliability and security of the electric grid in the SERC Region, as defined in Section 2.2. In pursuit of this goal, the Corporation shall:

- (a) enter into a Delegation Agreement to serve as a Regional Entity pursuant to 16 U.S.C. § 824o or the corresponding provisions of any subsequent U.S. Code revisions;
- (b) promote the development of reliability and adequacy arrangements among the systems in the SERC Region;
- (c) participate in the establishment of Reliability Standards;
- (d) participate in the measurement of performance relative to these Reliability Standards;
- (e) promote conformance to and compliance with these Reliability Standards;

- (f) develop and exchange information with respect to planning and operating matters relating to the reliability and adequacy of the Bulk Power System;
- (g) review as necessary activities in the SERC Region on reliability and adequacy in order to meet Reliability Standards;
- (h) provide a mechanism to resolve disputes on reliability issues in a manner that meets the needs of the parties and the SERC Region; and
- (i) provide information with respect to matters considered by the Corporation, where appropriate, to the Federal Energy Regulatory Commission ("FERC") and to other federal and state agencies concerned with reliability and adequacy.

2.2 **Geographic Area.** The Corporation accomplishes its purposes in a geographic area (the "SERC Region") that is defined in Exhibit A of the Amended and Restated Delegation Agreement Between the North American Electric Reliability Corporation and SERC Reliability Corporation, as amended from time to time.

ARTICLE III - POWERS

3.1 **Powers.** The Corporation shall have the power to engage in any lawful act or activity for which corporations may be organized under the general nonprofit corporation law of the State of North Carolina, subject to any limitations provided in applicable federal or state law or in the Certificate of Incorporation or these Bylaws.

ARTICLE IV - MEMBERSHIP

4.1 **General.** The Corporation shall be a membership corporation. Entities that meet the eligibility requirements, apply for membership in the Corporation, and whose applications have been duly approved by the Board of Directors for admission as a member shall hereinafter be referred to individually as a "Member" or "Member Company" and collectively as "Members" or "Member Companies".

4.2 **Eligibility.** Membership in the Corporation is voluntary and is open to any entity in the SERC Region that is a user, owner or operator of the Bulk Power System, has a material interest in the Bulk Power System in the SERC Region, satisfies the criteria for membership specified in this Section 4.2, qualifies for one or more of the Sectors

defined in Section 4.5, and is subject to the jurisdiction of the Federal Energy Regulatory Commission. Membership in the Corporation is predicated on mandatory acceptance of the responsibility to promote, support, and comply with Reliability Standards of the Corporation and the North American Electric Reliability Corporation ("NERC"), and to assist the Corporation in its compliance with the terms and provisions of a Delegation Agreement (a "Delegation Agreement") with NERC, by which NERC delegates authority to propose and enforce Reliability Standards, pursuant to 16 U.S.C. § 824o or the corresponding provisions of any subsequent U.S. Code revisions. For purposes of these Bylaws, the terms "Bulk Power System", "Reliability Standards" and "Regional Entity" shall be as defined in 16 U.S.C. § 824o or the corresponding provisions of any subsequent U.S. Code revisions.

4.3 **Admission of Members.** New Members may join the Corporation upon the approval of a submitted application as provided in this Section 4.3. The application shall designate the Sector the prospective Member wishes to join. The Secretary of the Corporation shall review the membership application and may request additional demonstration by the applicant that it qualifies for membership in a particular Sector. The Board of Directors shall have the sole authority to approve applications for membership upon such criteria as it deems appropriate.

4.4 **Termination.** A Member Company may terminate its membership in the Corporation by giving the Board of Directors at least thirty (30) calendar days prior written notice of its intent to terminate such membership. Such Member Companies shall hereinafter be referred to as "Terminated Member Companies". Terminated Member Companies shall nevertheless continue to be liable for any and all obligations incurred prior to the end of the calendar year in which such notice is effective, including, but not limited to, the obligation to pay a pro rata share of any Corporation expense. In addition, the Board of Directors may terminate the membership of a Member Company if, in the judgment of the Board of Directors, the Member Company has failed to meet its obligations and responsibilities to the Corporation. The termination of the membership, as well as the effective date and terms and conditions of such termination, of a Member Company by the Board of Directors shall require an affirmative vote of at least two-thirds (2/3) of the voting members of the Board of Directors.

4.5 **Sectors.** Each Member Company shall be classified by the Board of Directors in not more than one of the following seven (7) Sectors (each a "Sector", and collectively, the "Sectors"):

- (a) Investor-Owned Utility Sector – This Sector includes any investor-owned entity with substantial business interest in ownership and/or operation in any of the asset categories of generation, transmission or distribution.
- (b) Federal/State Sector – This Sector includes any U.S. federal entity that owns and/or operates electric facilities and/or provides

electricity for sale at wholesale to their members; balancing authority services, in any of the asset categories of generation, transmission, or distribution; or any entity that is owned by or subject to the governmental authority of a state and that is engaged in the generation, delivery, and/or sale of electric power to end-use customers primarily within the political boundaries of the state.

- (c) Cooperative Sector – This Sector includes any non-governmental entity that is incorporated under the laws of the state in which it operates, is owned by and provides electric service to end-use customers at cost, and is governed by a board of directors that is elected by the membership of the entity; and any non-governmental entity owned by and which provides generation and/or transmission service to such entities.
- (d) Municipal Sector – This Sector includes any entity owned by or subject to the governmental authority of a municipality, that is engaged in the generation, delivery, and/or sale of electric power to end-use customers primarily within the political boundaries of the municipality; and any entity, whose members are municipalities, formed under state law for the purpose of generating or purchasing.
- (e) Marketer Sector– This Sector includes any entity that is engaged in the activity of buying and selling of wholesale electric power in the SERC Region on a physical or financial basis.
- (f) Merchant Electricity Generator Sector – This Sector includes any entity that owns or operates an electricity generating facility or provides balancing authority services for such entities. This includes, but is not limited to, small power producers and all other non-utility producers such as exempt wholesale generators who sell electricity at wholesale.
- (g) ISO-RTO/Reliability Coordinator Sector – This Sector includes any entity that operates a FERC approved ISO or RTO or is an organization that is registered as a Reliability Coordinator on the NERC Compliance Registry.

The classification of a Member Company in a particular Sector may only be changed by the Board of Directors.

4.6 **Transfer of Membership.** A Member Company may not give or otherwise transfer its membership, except to a successor that becomes a Member Company in accordance with Section 4.3 of these Amended and Restated Bylaws, and provided that the successor continues to meet the predecessor's obligations.

4.7 **Member Powers.** The Members shall have the following rights and obligations:

- (a) To elect the Independent Directors;
- (b) To elect the Sector Directors;
- (c) To approve amendments to the Bylaws as recommended by the Board of Directors in accordance with the provisions in Section 13.1 of these Bylaws;
- (d) To approve dissolution, merger or the sale, pledge or transfer of substantially all of the Corporation's assets as recommended by the Board of Directors; and
- (e) To provide advice and recommendations to the Board of Directors with respect to the development of annual budgets, business plans, and other matters pertinent to the purpose and operations of the Corporation.

Except as expressly set forth in these Amended and Restated Bylaws, the Members shall have no other authority, rights, privileges, or preferences.

4.8 **Annual Meeting of Members.** The Members shall hold at least one Annual Meeting of the Members each year to elect the Independent Directors, elect Sector Directors, and to conduct other such business as may come before the meeting. By resolution adopted at any Annual Meeting of the Members, the Members may provide for additional regular meetings that may be held without further notice to the Members.

At the Annual Meeting of Members: (i) Independent Directors and Sector Directors shall be elected; (ii) the President and Corporate Treasurer shall report on the activities and financial condition of the Corporation; and (iii) the Members shall consider and act upon such other matters as are consistent with the notice of the Annual Meeting of the Members. The failure to hold an annual meeting in accordance with these Bylaws shall not affect the validity of a corporate action.

4.9 **Special Meetings of Members.** Special Meetings of the Members may be called by:

- (a) The Chair of the Board of Directors;
- (b) Any six (6) Directors on the Board of Directors;
- (c) The President/Chief Executive Officer; or

- (d) Members if at least ten percent (10%) of the Members request such a meeting in written form to the Chair of the Board of Directors or the President of the Corporation describing the purpose for which the Special Meeting is to be held.

Not less than seven (7) days prior to the date of the meeting, the Secretary of the Corporation shall provide notice to all Members of the Special Meeting. Notice of the meeting and the costs of the meeting shall be at the expense of the Corporation. The business transacted at a Special Meeting is limited to the purposes stated within the notice of the meeting. Business transacted at a Special Meeting that is not included in those stated purposes is voidable by or on behalf of the Corporation, unless a majority of the Members entitled to vote were present at such meeting or have waived notice of the meeting under Section 4.12.

4.10 **Location of Meetings of Members.** Meetings of Members shall be held at the principal office of the Corporation, or such other place within the Region as determined by the Board Chair or the President/Chief Executive Officer.

4.11 **Conduct of Meetings of Members.** The Board Chair shall conduct and preside at all Meetings of the Members, be responsible for the preparation of the agenda, and carry out all other duties assigned by the Board of Directors. In the Chair's absence, the Board Vice Chair shall serve as acting Chair and shall preside at all Meetings of the Members, be responsible for the preparation of the agenda, and carry out all other duties assigned by the Board of Directors.

4.12 **Notice of Meetings.**

- (a) **Notice Requirements.** Notice of all Meetings of the Members must be given at least seven (7) days before the date of a meeting and not more than sixty (60) days before the date of a meeting. The notice must contain the date, time and place of the meeting, instructions for electronic attendance or voting, if applicable, and an agenda of the matters upon which action may be taken at the meeting. A matter may be added to the agenda of a meeting at the meeting upon the affirmative vote of a majority of the votes cast on a motion to amend the agenda. If the meeting is an adjourned meeting and the date, time and place of the meeting were announced at the time of the adjournment, notice is not required unless a new record date for the adjourned meeting is or must be fixed. Notice shall be deemed given by the Corporation to the Members when (a) posted on the Corporation's public website in a reasonably prominent location, and (b) sent by mail, facsimile or reputable overnight delivery service or by electronic transmission pursuant to Section 8.8.

- (b) **Waiver of Notice; Objections.** A Member may waive notice of a meeting of Members. A waiver of notice by a Member entitled to notice is effective whether given before, at, or after the meeting, and whether given in writing, or by attendance. Attendance by a Member at a meeting is a waiver of notice of that meeting, unless the Member objects at the beginning of the meeting to the transaction of business because the meeting is not lawfully called or convened, or objects before a vote on an item of business because the item may not lawfully be considered at that meeting and does not participate in the consideration of the item at that meeting.

4.13 **Right to Vote; Act of Members.** Each Member shall be entitled to one vote on all matters submitted to a vote of the Members. If a quorum for a meeting of the Members is present, a majority of the votes cast on the matter shall be the act of the Members, except with respect to any matter described in Section 4.14, and is subject to the following additional requirements:

- (a) An affirmative vote from a Member from at least three Sectors is required for any action to pass.
- (b) A negative vote from a Member from at least two Sectors is required for any action to fail.

Abstentions shall not count negatively or positively in tallying the vote; however, the abstaining members' attendance at a meeting shall still count toward the establishment of quorum.

4.14 **Special Voting Requirements.** Notwithstanding any other provision of these Bylaws, and except as set forth in the Articles of Incorporation, two-thirds (2/3) of the votes cast shall be required to amend the Bylaws or the Articles of Incorporation, as provided in Section 13.1 of these Bylaws. The substance of the proposed amendment(s) must be posted in accordance with the provisions of Section 13.1.

4.15 **Quorum.** A quorum for a meeting of Members is necessary for the transaction of business at a meeting of Members. A quorum is established by a majority of the Members. If a quorum for a meeting of the Members is not present, a meeting may be adjourned for that reason by the Members then represented or present.

4.16 **Action by Electronic Communication.** Unless otherwise restricted by the Articles of Incorporation, these Amended and Restated Bylaws, or by applicable law, the Members may participate in a meeting of the Members by means of a conference telephone or similar communication equipment whereby all persons participating in the meeting can hear each other and participate in such manner and shall constitute presence in person at such meeting. Meetings held by electronic communication are subject to the Notice requirements in Section 4.12, as well as Quorum requirements in Section 4.15.

4.17 **Voting Member; Proxies.**

- (a) **Designation of Voting Member; Proxies.** Each year prior to the annual meeting of Members, each Member shall designate the individual authorized to vote on Corporation matters on behalf of the Member to the Secretary in writing. A Member may change such designation at any time by providing at least twenty-four (24) hour written notice to the Secretary of the Corporation. Such notice may be provided by electronic transmission. Each Member may only give a proxy to a person who is a member, officer, executive-level employee, or agent of the Member. Alternatively, a Member may give a proxy to a representative of a Member registered in the same Sector.
- (b) **Effective Period.** An appointment of a proxy is effective when received by the Secretary or other officer or agent authorized to tabulate votes. An appointment is valid for the next regular or specially scheduled meeting or ballot by electronic transmission. However, a proxy is not valid for more than sixty (60) days from its date of execution.
- (c) **Revocation.** An appointment of a proxy is revocable by a Member. Appointment of a proxy is revoked by the person appointing the proxy either by expiration of the sixty (60) day period, by open declaration at a meeting, or by signing and delivering a revocation in writing or by electronic transmission to the Secretary or other officer or agent authorized to tabulate proxy votes. This may be done either in a statement that the appointment of the proxy is revoked or by a subsequent appointment that shall serve to cancel all prior proxies.

4.18 **Public Notice of Member Meetings.** Notice to the public of the dates, times and places of meetings of the Members, and all nonconfidential material provided to the Members, shall be posted on the Corporation's website at approximately the same time that notice is given to the Members.

4.19 **Posting of Minutes.** Minutes of meetings of Members shall be posted on the Corporation's website once approved.

4.20 **Reimbursement of Member Expenses.** The Corporation will be under no obligation to reimburse Members for expenses associated with their attendance at Annual, regular or Special Meetings of the Members.

ARTICLE V - BOARD OF DIRECTORS

5.1 **General Powers.** The business and affairs of the Corporation shall be managed under the direction of the Board of Directors except as otherwise provided by the Articles of Incorporation or these Amended and Restated Bylaws.

5.2 **Duties.** The Board of Directors shall have all powers accorded to it under law not expressly reserved in whole or in part to the Members under the Articles of Incorporation or these Amended and Restated Bylaws, which shall include by way of example and not by way of limitation of powers, the responsibility to:

- (a) Govern the corporation and oversee its activities;
- (b) Approve Reliability Standards and their modifications utilizing a fair, open, balanced and inclusive process;
- (c) Ensure that the Compliance Monitoring and Enforcement Process is applied consistently;
- (d) Establish and approve an annual budget for submission to NERC;
- (e) Hire the Corporation's president and, upon the recommendation of a majority of the Independent Directors, approve his or her salary;
- (f) Recommend to Members to approve the dissolution, merger or the sale, pledge or transfer of substantially all of the Corporation's assets;
- (g) Form or dissolve Board committees as appropriate;
- (h) Fill vacancies on any of the Board's committees;
- (i) Recommend amendments to the Articles of Incorporation to the Members;
- (j) Recommend amendments to the Bylaws to the Members or approve such amendments as allowed under Section 13.2; and
- (k) Resolve any disputes regarding the Member Companies and the Corporation, if those issues cannot be resolved by the standing committees or subcommittees of the Corporation and are not otherwise subject to NERC's dispute provisions for non-compliance with Reliability Standards.

5.3 **Composition and Eligibility.**

- (a) The Board of Directors shall be comprised of at least eighteen (18) Directors in addition to the President/Chief Executive Officer who shall serve as ex-officio non-voting member of the Board in accordance with Section 6.2(d).
- (b) Fifteen (15) of the Directors, which shall be referred to as Sector Directors, shall be allocated as follows:
 - (i) The Investor-Owned Utility Sector shall have four (4) representatives;
 - (ii) The Federal/State Sector shall have two (2) representatives;
 - (iii) The Cooperative Sector shall have three (3) representatives;
 - (iv) The Municipal Sector shall have three (3) representatives;
 - (v) The Marketer Sector shall have one (1) representative;
 - (vi) The Merchant Electricity Generator Sector shall have one (1) representative; and
 - (vii) The ISO-RTO/Reliability Coordinator Sector shall have one (1) representative.
- (c) Sectors shall recommend their respective Sector Director(s) to the Nominating and Governance Committee from among individuals holding senior management positions in Member organizations, which shall be presented by the Nominating and Governance Committee to the Members for election to the Board of Directors. No two Directors may be employees of a single Member or any affiliate or related party of a Member or any affiliate. In the event of a vacancy, the replacement Director shall be nominated as provided in this Section 5.3(c) and elected by the Members at the next Annual, regular or Special Meeting of the Members.
- (d) At least three (3) but no more than five (5) Directors shall be Independent Directors elected by the Members. An Independent Director is a person (i) who is not an officer or employee of the Corporation; an officer, director, or employee of a Member; or an officer, director or employee of any entity that would reasonably be perceived as having a direct financial interest in the outcome the Board of Director's decisions; and (ii) who does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. The Board of Directors may adopt additional standards for director independence not inconsistent herewith.

- (e) The Independent Directors shall be nominated by the Nominating and Governance Committee, and approved by the Members at the Annual Meeting of the Members, or at such other time as specified by the Board of Directors.
- (f) Any Director which the Board of Directors has determined has a conflict of interest on any matter brought before the Board shall not vote on such matter and shall recuse himself or herself from all Board deliberations concerning such matter.
- (g) There will be no alternates or proxies for Directors.

5.4 **Meetings of the Board of Directors, Notice, Waiver**

- (a) **Meetings.** An annual meeting of the Board of Directors shall be held without notice immediately following the Annual Meeting of the Members. In addition, regular meetings may be held at such time or times as fixed by the Board of Directors. Special meetings of the Board of Directors may be called by the Chair of the Board, the President/Chief Executive Officer, or by any three Directors and shall be held at the principal office of the Corporation, or such other place within the Region as determined by the Chair or the President/Chief Executive Officer.
- (b) **Notice.** Notice of the dates, times, and places of all regular and special meetings of the Board of Directors shall be published by the Secretary and provided to all Directors and Members not less than three (3) days prior to the date of the meeting. Notice shall be deemed given by the Corporation to Directors and Members when: 1) posted on the Corporation's public website in a reasonably prominent location, and 2) sent by mail or electronic transmission to each Director and Member included on the rosters maintained by the Secretary of the Corporation.
- (c) **Waiver.** Any person entitled to notice of a regular or special meeting of the Board of Directors may waive notice thereof. A waiver of notice by a person entitled to notice is effective whether given before, at, or after the meeting, and whether given in writing or by attendance. Attendance by a director at a meeting of the Board is a waiver of notice of that meeting, unless the director objects at the beginning of the meeting to the transaction of business because the meeting is not lawfully called or convened, or objects before a vote on an item of business because the item may not lawfully be considered at that meeting and does not participate in the consideration of the item at that meeting.

5.5 **Election of Board Officers.**

- (a) Biennially, the Board of Directors, upon recommendation of the Nominating and Governance Committee shall elect Board Officers from among the Directors for the positions of Chair and Vice Chair, each for a term of two (2) years beginning on July 1st after the election. No Director may serve in more than one (1) Board Officer position at the same time.
- (b) The Chair may be a Sector Director or an Independent Director. If the Chair is a Sector Director, the Independent Directors shall designate a lead Independent Director that the Chair shall consult regularly on agendas and other matters of importance. If the Chair and the Vice Chair are Independent Directors, the Sector Directors shall designate a lead Sector Director that the Chair shall consult regularly on agendas and other matters of importance.
- (c) The Chair shall conduct and preside at all meetings, be responsible for the preparation of the agenda, and carry out all other duties assigned by the Board of Directors. In the Chair's absence, the Vice Chair shall serve as acting Chair and shall preside at all meetings, be responsible for the preparation of the agenda, and carry out all other duties assigned by the Board of Directors. In the event that a Board Officer cannot complete his or her term, the Board of Directors may hold a special election to elect a replacement Board Officer for the remainder of the unexpired term.

5.6 **Terms of Sector Directors.** The Sector Directors shall be divided into two groups, Group 1 and Group 2, with the number of Sector Directors in each group divided as nearly equal as possible. Each group shall serve for two (2) year terms beginning on July 1, with the start of the term for Group 1 beginning in alternating years from the start of the term for Group 2. Terms of Sector Directors may be extended beyond a two (2) year term or be less than a two (2) year term as deemed necessary by the Members.

5.7 **Terms of Independent Directors.** The Independent Directors shall be divided into two groups, Group 1 and Group 2, with the number of Independent Directors in each group divided as nearly equal as possible. Each group shall serve for two (2) year terms beginning on July 1, with the start of the term for Group 1 beginning in alternating years from the start of the term for Group 2. Terms of Independent Directors may be extended beyond a two (2) year term or be less than a two (2) year term as deemed necessary by the Members. No Independent Director shall serve more than four (4) terms.

5.8 **Vacancies and Removal.** If a Director resigns, dies, changes corporate affiliation or is removed during the term of office for which elected, the position shall thereupon be vacant and shall be filled as soon as practicable and in accordance with the same procedures that the position had previously been filled. The successor Director shall hold office for the unexpired portion of the term of the director replaced. An Independent Director or Sector Director may be removed by the affirmative vote of two-thirds (2/3) of the remaining Directors. Any Director may be removed by the Board of Directors for non-attendance at three or more consecutive Board meetings. Any Independent or Sector Director removed by the Board of Directors under this Section 5.8 may not be reelected to the Board.

5.9 **Agenda.** As far in advance of each regular and special meeting as practical, an agenda shall be distributed to Directors and other participants.

5.10 **Compensation and Reimbursement.** Sector Directors shall not receive any compensation from the Corporation for their services to the Corporation as Directors on the Board. Independent Directors shall be entitled to such compensation as indicated by a Board policy, if any. Independent Directors shall have the right to reimbursement by the Corporation of their actual reasonable travel expenses to Board of Directors meetings or when specifically selected to represent the Corporation at a business meeting, subject to Board policy as adopted from time to time, if any. Sector Directors shall not be reimbursed by the Corporation for any expenses, unless specifically approved in advance by resolution of the Board of Directors.

5.11 **Quorum.** A quorum is necessary for the transaction of business at a meeting of the Board of Directors. A quorum is established by the presence of a majority of the Directors entitled to vote at a meeting, provided that a majority of the Independent Directors must also be present to constitute a quorum. Electronic participation is acceptable if authorized by the Board Chair at that meeting. If a quorum for a meeting of the Board of Directors is not established, a meeting may be adjourned for that reason by the Directors then represented or present.

5.12 **Voting.** Each voting Director on the Board of Directors shall have one vote with respect to decisions of the Board of Directors. The President of the Corporation shall be an ex-officio member of the Board without vote and shall not be counted for quorum purposes. The positive vote of a majority of the voting directors is necessary to pass a particular action, except with respect to any matter described in Sections 4.4, 4.13, 11.1, and 13.1, and is subject to the following additional requirements:

- (a) An affirmative vote from a Director from at least three Sectors is required for any action to pass.
- (b) A negative vote from a Director from at least two Sectors is required for any action to fail.

For voting purposes, the Independent Directors shall constitute its own Sector.

5.13 **Action Without a Meeting**. Any action required by law to be taken at a meeting of Directors, or any action which may be taken at a meeting of Directors or by a Board Committee, may be taken without a meeting if all members of the Board or Board Committee consent thereto in writing or by electronic transmission, and the writing(s) or electronic transmission(s) are included in the minutes or filed with the corporate records reflecting the action taken. Action taken under this section is effective when the last Director consents unless the consent specifies a different effective date. A consent signed under this section has the effect of a meeting vote.

5.14 **Action by Electronic Communication**. Unless otherwise restricted by the Articles of Incorporation, these Amended and Restated Bylaws, or by applicable law, the Members may participate in a meeting of Directors by means of a conference telephone or similar communication equipment whereby all persons participating in the meeting can hear each other and participate in such manner and shall constitute presence in person at such meeting. Meetings held by electronic communication are subject to the Notice requirements in Section 5.4, as well as Quorum requirements in Section 5.11.

ARTICLE VI - CORPORATE OFFICERS

6.1 **Corporate Officers**. The Board of Directors shall appoint a President/Chief Executive Officer, one or more Vice Presidents, a Secretary, and a Treasurer of the Corporation. Two (2) or more of such offices may be held by the same person, except for the offices of President/Chief Executive Officer and Secretary. The Board of Directors may appoint such other officers and assistant officers as it deems necessary.

6.2 **President/Chief Executive Officer**. The President shall be the Chief Executive Officer of the Corporation and shall manage the operations of the Corporation to the end that its purposes shall be accomplished. The President shall:

- (a) Promote the mission of the Corporation and implement the goals and objectives of the Corporation;
- (b) Report to the Board of Directors and carry out the policies and procedures set by the Board of Directors;
