

# Standards Committee Nomination Form

2015-2016 Term Elections

The North American Electric Reliability Corporation (NERC) [Standards Committee](#) (SC) has two representatives from each of the 10 industry segments. The SC representatives are elected by the segment they represent. The SC reports to the NERC Board of Trustees and oversees the development of NERC Reliability Standards by performing tasks governed by the [Standard Processes Manual](#), the [Standards Committee Charter](#), and the SC Work Plan.

Any person may nominate any other person to serve on the SC, with the limitation that the nominee must be employed by or an agent of an entity that is registered in that segment of the [Registered Ballot Body](#) (RBB). The nominee is not required to be the RBB representative from that organization.

Nominations are currently being held for each of the 10 segments. Election of representatives is governed by Appendix 3B: [Election of Members of the NERC Standards Committee Procedure](#).

You may use this form to nominate candidates for segments 1 through 10. You may submit more than one nomination. Please, however, use one form per nomination. You are welcome to nominate yourself.
