Segment Representative Elections and Preliminary Results 2015-2016 Term Elections

October 28–November 6, 2014 | 8:00 p.m. Eastern

NERC is resetting the time period for the election following technical issues as explained below. The election will begin today, October 28, 2014 following the distribution of the Segment ballots and end Thursday, November 6, 2014 at 8:00 p.m. Eastern.

After distribution of the prior election announcement, NERC attempted to deliver segment ballots for Segments 3, 4, and 8. However, a technical issue prevented the distribution.

In addition, Ajay Garg's nomination for Segment 1 was sequestered by NERC's email system. NERC standards staff, IT staff, and NERC legal have since verified the timeliness of Ajay Garg's nomination submission and the nomination will be included in Segment 1.

Lastly, NERC has clarified that for Segments with one nominee, that nominee will be balloted unopposed in each respective Segment.

A separate email will be sent to members of each Segment providing a link to vote for their respective election.

The election for Segments 1-8 will begin on Tuesday, October 28, 2014 and will **close on Thursday, November 6, 2014 at 8:00 p.m. Eastern.**

Each individual or entity that is a **member of a Segment** may vote for a SC member to represent that Industry Segment. Proxies are allowed. The slate of nominees for each Segment are shown below. Detailed information on each of these nominees has been posted on the [Standards Committee's Nominations and Elections web page](#):

Election Procedure

In accordance with Appendix 3B of the NERC Rules of Procedure (Election Procedure for Members of NERC Standards Committee), to be elected, a nominee must meet both of the following:

- Receive the highest total number of votes in that Segment; and
- Receive a simple majority of the votes cast in that Segment.

If no candidate meets both criteria through the initial ballot, a second ballot will be conducted in that Segment. For the second ballot, the slate consists of the two candidates who received the highest number of votes in the initial ballot. The candidate receiving the highest number of votes in the second ballot is elected to represent that Segment.
