

Standards Committee Nomination Form

2018-2019 Term Election – Segments 1-10 (Two-year term)

Special Election Segment 3 – One-year Term

Special Election Segment 5 – One-year Term

Special Election Segment 7 – One-year Term

The North American Electric Reliability Corporation (NERC) [Standards Committee](#) (SC) has two members from each of the ten industry segments. Each SC member is elected by the segment he or she represents. The SC reports to the NERC Board of Trustees and oversees the development of NERC Reliability Standards by performing tasks governed by the [Standard Processes Manual](#), the [Standards Committee Charter](#), and the [SC Work Plan](#).

Anyone may submit a nomination. To be eligible for nomination, a nominee shall be an employee or agent of an entity registered in the applicable Segment. To allow verification of affiliation, **a nominee must be a registered user in the NERC Registered Ballot Body**. It is not required that the nominee be the same person as the entity’s Registered Ballot Body representative for that Segment. Instructions are provided in [Appendix 3B](#) of the NERC Rules of Procedure – *Procedure for Election of Members of the NERC Standards Committee Procedure*. Completed nomination forms will be posted on the [SC Nominations and Elections webpage](#).

Nominations are currently being accepted for each of the ten segments for two-year terms. In addition, we are seeking nominations for Segments 3, 5, and 7 for one-year terms.

Please use this form to nominate candidates. For Segments 3, 5, and 7 include whether you are interested in the one-year or two-year term. You may submit more than one nomination. Please, however, use one form per nomination. You are welcome to nominate yourself.

One-year term

Please provide a brief summary of the nominee’s qualifications for this SC position. (The summary should be no longer than a single page of single-spaced text.)

Joel Dembowski currently serves as the Compliance Assurance Manager for Southern Company Bulk Power Operations. In this role his team is responsible for ensuring compliance with NERC 693 standards applicable to the RC, BA, and TOP registrations. Joel began his career with Georgia Power in 2001 and performed various

engineering roles within Power Delivery where he led teams in the design, maintenance, and restoration of Transmission and Distribution assets. Joel has held various leadership roles throughout Southern Company Transmission including Assistant To the Chief Transmission Officer, Transmission Maintenance Center Supervisor, and Engineering Supervisor. Joel graduated from the University of Alabama in Birmingham with bachelor's and master's degrees in civil engineering.

Please complete this form no later than **Monday, October 2, 2017** and send to monica.bales@nerc.net.
