

Standards Committee Nomination Form 2019-2020 Term Election – Segments 1-10 (Two-year term)

The North American Electric Reliability Corporation (NERC) [Standards Committee](#) (SC) has two members from each of the ten industry segments. Each SC member is elected by the segment he or she represents. The SC reports to the NERC Board of Trustees and oversees the development of NERC Reliability Standards by performing tasks governed by the [Standard Processes Manual](#), the [Standards Committee Charter](#), and the [SC Work Plan](#).

Anyone may submit a nomination. To be eligible for nomination, a nominee shall be an employee or agent of an entity registered in the applicable Segment. To allow verification of affiliation, **a nominee must be a registered user in the NERC Registered Ballot Body**. It is not required that the nominee be the same person as the entity’s Registered Ballot Body representative for that Segment. Instructions are provided in [Appendix 3B](#) of the NERC Rules of Procedure – *Procedure for Election of Members of the NERC Standards Committee Procedure*. Completed nomination forms will be posted on the [SC Nominations and Elections webpage](#).

Nominations are currently being accepted for each of the ten segments for a two-year term.

Please use this form to nominate candidates. You may submit more than one nomination. Please, however, use one form per nomination. You are welcome to nominate yourself.

Please provide a brief summary of the nominee’s qualifications for this SC position. (The summary should be no longer than a single page of single-spaced text.)

Charles has served on NERC committees and subcommittees for nearly 20 years. He has an in depth knowledge of the NERC standards and procedures as well as the reliability issues of the Bulk Electric System. His work at SPP is focused on standards development and implementation including working with subject matter experts and RTO members on operations, planning and cybersecurity issues. As an RTO staff, Charles provides an independent perspective on reliability issues and is accountable to a wide range of registered entities. Charles has served on the Standards Committee and Project Management Oversight Subcommittee for over six years and provided support for completion of the Steady State standards and many FERC directives for standards for reliability.

Please complete this form no later than **Tuesday, October 9, 2018** and send to [Linda Jenkins](#).
