

Standards Committee Nomination Form 2019-2020 Term Election – Segments 1-10 (Two-year term)

The North American Electric Reliability Corporation (NERC) [Standards Committee](#) (SC) has two members from each of the ten industry segments. Each SC member is elected by the segment he or she represents. The SC reports to the NERC Board of Trustees and oversees the development of NERC Reliability Standards by performing tasks governed by the [Standard Processes Manual](#), the [Standards Committee Charter](#), and the [SC Work Plan](#).

Anyone may submit a nomination. To be eligible for nomination, a nominee shall be an employee or agent of an entity registered in the applicable Segment. To allow verification of affiliation, **a nominee must be a registered user in the NERC Registered Ballot Body**. It is not required that the nominee be the same person as the entity’s Registered Ballot Body representative for that Segment. Instructions are provided in [Appendix 3B](#) of the NERC Rules of Procedure – *Procedure for Election of Members of the NERC Standards Committee Procedure*. Completed nomination forms will be posted on the [SC Nominations and Elections webpage](#).

Nominations are currently being accepted for each of the ten segments for a two-year term.

Please use this form to nominate candidates. You may submit more than one nomination. Please, however, use one form per nomination. You are welcome to nominate yourself.

Please indicate the industry segment number (1-10) in which the nominee seeks election:

Segment 3 – Load Serving Entities

Please provide a brief summary of the nominee’s qualifications for this SC position. (The summary should be no longer than a single page of single-spaced text.)

Linn Oelker, P.E. is the Manager – Market Compliance for LG&E & KU Services Company in Louisville, Kentucky. In this role, he is responsible for all NERC compliance related activities for the LG&E/KU Load-Serving Entity, Purchasing-Selling Entity, and Resource Planner functional entities as well as certain Balancing Authority tasks associated with generation dispatch. These responsibilities include managing a team of personnel to ensure compliance through development and implementation of compliance processes and procedures, evidence gathering and retention, performance measures, self certifications, and audit readiness. The group also manages NERC GADS reporting and after-the-fact energy accounting processes for the company’s fleet of 8,100 MW of generation.

Linn was elected to the NERC Standards Committee in 2017 to represent Segment 3 – Load Serving Entities for the 2018 term. He was also selected by Standards Committee members to serve as a member of the Standards Committee Executive Committee during his one year term. He has been

an active member of the NERC Standards Committee Process Subcommittee (SCPS) since 2010 and the NERC Functional Model Advisory Group (FMAG) since 2013, a regular observer of the NERC Standards Committee, a member of the NERC Registered Ballot Body since 2015, and is a representative on the SERC Registered Ballot Body. He has worked in the energy industry for 23 years participating in several energy industry professional organizations and activities including technical standard development and served as a technical training instructor. Linn is a graduate of Rose-Hulman Institute of Technology, a licensed Professional Engineer, and resides with his wife and two children in southern Indiana.

Please complete this form no later than **Tuesday, October 9, 2018** and send to [Linda Jenkins](#).
