

Standards Committee Nomination Form 2019-2020 Term Election – Segments 1-10 (Two-year term)

The North American Electric Reliability Corporation (NERC) [Standards Committee](#) (SC) has two members from each of the ten industry segments. Each SC member is elected by the segment he or she represents. The SC reports to the NERC Board of Trustees and oversees the development of NERC Reliability Standards by performing tasks governed by the [Standard Processes Manual](#), the [Standards Committee Charter](#), and the [SC Work Plan](#).

Anyone may submit a nomination. To be eligible for nomination, a nominee shall be an employee or agent of an entity registered in the applicable Segment. To allow verification of affiliation, **a nominee must be a registered user in the NERC Registered Ballot Body**. It is not required that the nominee be the same person as the entity’s Registered Ballot Body representative for that Segment. Instructions are provided in [Appendix 3B](#) of the NERC Rules of Procedure – *Procedure for Election of Members of the NERC Standards Committee Procedure*. Completed nomination forms will be posted on the [SC Nominations and Elections webpage](#).

Nominations are currently being accepted for each of the ten segments for a two-year term.

Please use this form to nominate candidates. You may submit more than one nomination. Please, however, use one form per nomination. You are welcome to nominate yourself.

Segment 8, Small Electricity End Users

Please provide a brief summary of the nominee’s qualifications for this SC position. (The summary should be no longer than a single page of single-spaced text.)

David Kiguel is an active and engaged member of the Standards Committee (SC). He represented Canada at large in the SC and in the Process Subcommittee (SCPS) since 2008 until 2013, when he retired from a large Transmission Owner, Load Serving Entity and Distribution Provider, after a 36-year long career with that company. He was again elected to the SC for the 2015-2016 and 2017-2018 terms, representing Segment 8, Small Electricity End Users. During three years of his SC membership, he was a member of the SC Executive Committee.

David was a member of the NERC Paragraph 81 Standards Drafting Team and participated in and led many teams of the SC and the SCPS such as reviews of the Standards Processes Manual (SPM), Reliability Standards Development Plan (RSDP), 5-Year Reviews, Reaching Consensus for Standards at the SAR Stage, Review of the Registered Ballot Body Criteria, etc.

He is an active participant in the Northeast Power Coordinating Council (NPCC) where he is a member of the Regional Standards Committee (RSC) and has been a member of the Compliance Committee and numerous working groups. He also participates in the Ontario IESO's Reliability Standards Standing Committee where he regularly reports on NERC Standards Committee activities.

Mr. Kiguel is a registered Professional Engineer in the Province of Ontario. He is actively involved in Professional Engineers Ontario (PEO), the licensing and regulating body for engineering in the Province. He is the current Chair of PEO's Experience Requirements Committee. He is also a member of the Regional Electricity Planning - Metro Toronto Local Advisory Committee. David is an IEEE Senior Member (1996), an Engineers Canada Fellow Member (2013) and a 2014 recipient of a Volunteer Service Award presented by the Ministry of Citizenship and Immigration of the Province of Ontario, Canada in recognition for his voluntary work.

Please complete this form no later than **Tuesday, October 9, 2018** and send to [Linda Jenkins](#).
