

**UPDATE****Standards Committee Nomination Form**

2021-2022 Term Election – Segments 1-10 (Two-year term)  
Special Election Segment 7 – One-year Term

The North American Electric Reliability Corporation (NERC) [Standards Committee](#) (SC) has two members from each of the ten industry segments. Each SC member is elected by the segment he or she represents. The SC reports to the NERC Board of Trustees and oversees the development of NERC Reliability Standards by performing tasks governed by the [Standard Processes Manual](#), the [Standards Committee Charter](#), and the [SC Work Plan](#).

Anyone may submit a nomination. To be eligible for nomination, a nominee shall be an employee or agent of an entity belonging in the applicable Segment. **To allow verification of affiliation, a nominee must be a registered user in the NERC [Registered Ballot Body](#) (RBB).** It is not required that the nominee be the same person as the entity's RBB representative for the applicable Segment. Instructions are provided in [Appendix 3B](#) of the NERC Rules of Procedure – *Procedure for Election of Members of the NERC Standards Committee Procedure*. Completed nomination forms will be posted on the [SC Nomination and Elections webpage](#).

Nominations are currently being accepted for each of the ten segments for a two-year term. In addition, we are seeking nominations for Segment 7 for one-year term (2020-2021).

Please use this form to nominate candidates. For Segment 7 include whether you are interested in the one-year or two-year term. You may submit more than one nomination. Please, however, use one form per nomination. You are welcome to nominate yourself

Please indicate the industry segment number (1-10) in which the nominee seeks election:  
Segment 2 ISO RTOs

Please provide a brief summary of the nominee's qualifications for this SC position. (The summary should be no longer than a single page of single-spaced text.)

Charles is the lead director at SPP for all NERC and NAESB standards development policies. He is responsible for formulating the SPP position at NERC and NAESB for proposed standards. He also prepares reviews and drafts comments for the NERC and NAESB standards development process. Charles is the primary voter in the NERC Registered Ballot Body. Charles is also active in the ISO RTO Council Standards Review Committee, a technical review group for proposed standards that develops consensus comments for submission to NERC and NAESB. Charles has extensive experience on NERC committees

and subcommittees going back to 1998. He also is the current chairman of the Project Management Oversight Subcommittee and is a member of the Reliability Issues Steering Committee. He holds a BS Electrical Engineer, a MS Business Administration and is a registered Professional Engineer.

Please complete this form no later than **Thursday, October 15, 2020** and send to [Katrina Blackley](#).
