

UPDATE**Standards Committee Nomination Form**

2021-2022 Term Election – Segments 1-10 (Two-year term)
Special Election Segment 7 – One-year Term

The North American Electric Reliability Corporation (NERC) [Standards Committee](#) (SC) has two members from each of the ten industry segments. Each SC member is elected by the segment he or she represents. The SC reports to the NERC Board of Trustees and oversees the development of NERC Reliability Standards by performing tasks governed by the [Standard Processes Manual](#), the [Standards Committee Charter](#), and the [SC Work Plan](#).

Anyone may submit a nomination. To be eligible for nomination, a nominee shall be an employee or agent of an entity belonging in the applicable Segment. **To allow verification of affiliation, a nominee must be a registered user in the NERC [Registered Ballot Body](#) (RBB).** It is not required that the nominee be the same person as the entity's RBB representative for the applicable Segment. Instructions are provided in [Appendix 3B](#) of the NERC Rules of Procedure – *Procedure for Election of Members of the NERC Standards Committee Procedure*. Completed nomination forms will be posted on the [SC Nomination and Elections webpage](#).

Nominations are currently being accepted for each of the ten segments for a two-year term. In addition, we are seeking nominations for Segment 7 for one-year term (2020-2021).

Please use this form to nominate candidates. For Segment 7 include whether you are interested in the one-year or two-year term. You may submit more than one nomination. Please, however, use one form per nomination. You are welcome to nominate yourself

Nominee's name and contact information.

6

Please provide a brief summary of the nominee’s qualifications for this SC position. (The summary should be no longer than a single page of single-spaced text.)

As Manager of Reliability Compliance for ACES , Rebecca is responsible for providing project management leadership to ACES members, customers, and internal workgroups, which consist of a combination of Electric cooperatives, Municipal utilities, Public power agencies, Renewable energy providers, Industrial companies, Investor-owned utilities, Banks and hedge funds.

Rebecca has 16 years of industry experience, including Corporate Counsel and Compliance Analyst positions at Midcontinent Independent System Operator and a Compliance Analyst role at Indianapolis Power & Light Company, an AES company. Rebecca's experience with NERC Operations and Planning and Critical Infrastructure Protection standards includes: compliance program development, registration and certification, compliance assessments, audit preparation, risk identification, compliance investigations, self-reporting and mitigation plan development, tracking and disseminating NERC standards information, commenting on new and revised standards, and developing and hosting technical conferences and webinars. Rebecca has been a member of the Standards Committee since March of 2019, and previously participated on ERO Monitoring Subcommittee of the NERC Compliance and Certification Committee.
