CIP-010-X	84.22% / 95.52%
CIP-010-2	84.49% / 85.93%

Non-Binding Poll	Quorum/Supportive Opinions
CIP-011-X	84.22% / 98.13%

Background information for this project can be found on the [project page](#).

Next Steps

The drafting team will consider all comments received during the formal comment period and, if needed, make revisions to the standards and post them for an additional ballot. If the comments do not show the need for significant revisions, the standards will proceed to a final ballot.

For more information on the **Standards Development Process**, please refer to the [Standard Processes Manual](#).
