

Regional Reliability Standards Announcement

Midwest Reliability Organization (MRO) Regional Reliability Standards Process Manual

Comment Period Now Open through December 21, 2015

[Now Available](#)

NERC is posting the proposed Midwest Reliability Organization's Regional Reliability Standards Process Manual for a 45-day industry review through **8 p.m. Eastern, Monday, December 21, 2015.**

Regional standards development procedures define a regional entity's process for development, revision, reaffirmation, and withdrawal of regional reliability.

Commenting

Please use this [electronic form](#) to submit comments. If you experience any difficulties in using the electronic form, please contact [Nasheema Santos](#). An off-line, unofficial copy of the comment form is posted on the [Regional Reliability Standards-Under Development Page](#).

Rules of Procedure

The NERC approval and posting requirements for regional reliability standards development procedures are described in [NERC's Rules of Procedure of the Electric Reliability Organization](#), Section 311.2.
