Ladies and Gentlemen:

Announcement: Nomination Periods Open for Standard Drafting Team

The Standards Committee announces the following standards action:

Nominations for Project 2007-14 Permanent Changes to Coordinate Interchange Timing Tables Standards Drafting Team (September 19–October 3, 2007)

The Standards Committee is seeking industry experts to serve on the Permanent Changes to the [Coordinate Interchange Timing Tables](#) Standards Drafting Team. The drafting team will work to develop revised timing tables for inclusion in the following Coordinate Interchange standards:

- INT-005 — Interchange Authority Distributes Arranged Interchange
- INT-006 — Response to Interchange Authority
- INT-008 — Interchange Authority Distributes Status

If you are interested in serving on this standard drafting team, please complete this [nomination form](#) and return it to sarcomm@nerc.net by October 3, 2007 with “CI Timing Tables SDT” in the subject line. For questions, please contact Ed Dobrowolski at 609-947-3673 or at ed.dobrowolski@nerc.net.

Standards Development Process

The [Reliability Standards Development Procedure](#) contains all the procedures governing the standards development process. The success of the NERC standards development process depends on stakeholder participation. We extend our thanks to all those who participate. If you have any questions, please contact me at 813-468-5998 or maureen.long@nerc.net.

Sincerely,

Maureen E. Long
