

Standards Announcement

Comment Period Open

Opens: August 29, 2008

Closes: September 29, 2008 (8:00 p.m. EDT)

Project: 2007-18 — Reliability-based Control

The Reliability-based Control Standard Drafting Team has posted a comment form for a 30-day period. The team is using the comment form to gather feedback regarding its proposed metrics or solutions for the four purpose statements contained within the Standard Authorization Request (SAR) for Project 2007-18.

Please use this [electronic form](#) to submit comments. If you experience any difficulties in using the electronic form, please contact Barbara Bogenrief at 609-452-8060.

The status, purpose, and supporting documents for this project – including an off-line, unofficial copy of the questions listed in the comment form – are posted at the following site:

http://www.nerc.com/filez/standards/Reliability-Based_Control_Project_2007-18.html

Standards Development Process

The [Reliability Standards Development Procedure](#) contains all the procedures governing the standards development process. The success of the NERC standards development process depends on stakeholder participation. We extend our thanks to all those who participate.

*For more information or assistance, please contact Shaun Streeter,
Standards Program Administrator, at shaun.streeter@nerc.net or at 609.452.8060.*
