

Standards Announcement

Project 2010-05.1 Protection System (Misoperations)

PRC-004-3

Final Ballot Now Open through August 7, 2014

[Now Available](#)

A final ballot for **PRC-004-3 – Protection System Misoperation Identification and Correction** and is open through **8 p.m. Eastern on Thursday, August 7, 2014.**

Instructions for Balloting

In the final ballot, votes are counted by exception. Only members of the ballot pool may cast a ballot; all ballot pool members may change their previously cast votes. A ballot pool member who failed to cast a ballot during the last ballot window may cast a ballot in the final ballot window. If a ballot pool member previously cast a vote, but does not participate in the final ballot, the member's vote cast in the previous ballot will be carried over as their vote in the final ballot.

Members of the ballot pool associated with this project may log in and submit their vote for the standard by clicking [here](#).

Next Steps

Voting results for the standard will be posted and announced after the ballot window closes. If approved, it will be submitted to the Board of Trustees for adoption and then filed with the appropriate regulatory authorities.

For information on the **Standards Development Process**, please refer to the [Standard Processes Manual](#).
