Project 2016-04 Modifications to PRC-025-1

Standards Authorization Request (SAR) Drafting Team Nomination Period Open through September 28, 2016

[Now Available](#)

Nominations are being sought for SAR drafting team members through **8 p.m. Eastern, Wednesday, September 28, 2016.**

Use the [electronic form](#) to submit a nomination. If you experience any difficulties in using the electronic form, contact [Wendy Muller](#). An unofficial Word version of the nomination form is posted on the [Standard Drafting Team Vacancies](#) page and the [project page](#).

By submitting a nomination form, you are indicating your willingness and agreement to actively participate in the SDT meetings. If appointed by the Standards Committee (SC), you are expected to attend most of the face-to-face meetings as well as participate in meetings held via conference calls.

The time commitment for this project is expected to be up to two face-to-face meetings per quarter (on average two full working days each meeting) with conference calls scheduled as needed to meet the agreed-upon timeline the SAR drafting team sets forth. Team members may also have side projects, either individually or by subgroup, to present to the entire team for discussion and review. Lastly, an important component of the SAR drafting effort is outreach. Members of the team will be expected to conduct industry outreach during the development process to support a successful project outcome.

Next Steps

The SC is expected to appoint members to the team in October 2016. Nominees will be notified shortly after they have been appointed.
