Standards Announcement

Project 2019-06 Cold Weather

Nomination Period Open through July 2, 2020

[Now Available](#)

Nominations are being sought for additional Standard Authorization Request (SAR) drafting team members through **8 p.m. Eastern, Thursday, July 2, 2020**. *This nomination period is being implemented to solicit small entity representation for the SAR drafting team.*

Use the [electronic form](#) to submit a nomination. Contact [Wendy Muller](#) regarding issues with the system. An unofficial Word version of the nomination form is posted on the [Drafting Team Vacancies](#) page and the [project page](#).

By submitting a nomination form, you are indicating your willingness and agreement to actively participate in conference calls. Face-to-face meetings will resume at a later date.

NERC is seeking individuals who possess experience with cold weather preparation through performing or developing processes to address the following tasks:

- Implementing freeze protection measures and technologies;
- Performing periodic adequate maintenance and inspection of freeze protection measures and technologies;
- Ensuring gas-fueled generating units' Reliability Coordinator and Balancing Authority are provided notification of firm transportation capacity for natural gas supply; and
- Conducting winter-specific and plant-specific operator awareness training;
- Develops a procedure for determining the operating temperatures for generating unit availability for extreme cold weather performance;
- Communicates with the appropriate entities on the operating temperatures for generating unit availability for extreme cold weather performance and when expected temperatures are forecasted within the determined generating unit availabilities, expected availability of the generating units, and fuel assurance for the appropriate next day operating horizon.

NERC is also seeking individuals who have facilitation skills or legal/technical writing backgrounds as well as those who have experience with developing standards inside or outside the NERC development process

(e.g., IEEE, NAESB, ANSI, etc.). Such experience should be highlighted in the information submitted, if applicable.

Previous drafting or periodic review team experience is beneficial, but not required.

Next Steps

The Standards Committee is expected to appoint additional members to the team during the July 22, 2020 meeting. Nominees will be notified after they have been selected.

For information on the Standards Development Process, refer to the [Standard Processes Manual](#).
