

# Standards Announcement

## Project 2019-03 Cyber Security Supply Chain Risks

Final Ballot Open through **October 16, 2020**

[Now Available](#)

The final ballot is open through **8 p.m. Eastern, Friday, October 16, 2020** for the following:

- CIP-005-7 – Cyber Security - Electronic Security Perimeter(s)
- CIP-010-4 – Cyber Security - Configuration Change Management and Vulnerability Assessments
- CIP-013-2 – Cyber Security - Supply Chain Risk Management
- Implementation Plan

### Balloting

In the final ballot, votes are counted by exception. Votes from the previous ballot are automatically carried over in the final ballot. Only members of the applicable ballot pools can cast a vote. Ballot pool members who previously voted have the option to change their vote in the final ballot. Ballot pool members who did not cast a vote during the previous ballot can vote in the final ballot.

Members of the ballot pool(s) associated with this project can log in and submit their votes [here](#). Contact [Wendy Muller](#) regarding issues using the SBS.

- *Contact NERC IT support directly at <https://support.nerc.net/> (Monday – Friday, 8 a.m. - 5 p.m. Eastern) for problems regarding accessing the SBS due to a forgotten password, incorrect credential error messages, or system lock-out.*
- *Passwords expire every **6 months** and must be reset.*
- *The SBS **is not** supported for use on mobile devices.*
- *Please be mindful of ballot and comment period closing dates. We ask to **allow at least 48 hours** for NERC support staff to assist with inquiries. Therefore, it is recommended that users try logging into their SBS accounts **prior to the last day** of a comment/ballot period.*

## Next Steps

The voting results will be posted and announced after the ballot closes. If approved, the standards will be submitted to the Board of Trustees for adoption and then filed with the appropriate regulatory authorities.

## Standards Development Process

For more information on the Standards Development Process, refer to the [Standard Processes Manual](#).

For more information or assistance, contact Senior Standards Developer, [Alison Oswald](#) (via email) or at 404-446-9668.
