

## Important Information

### New Users

**Before you create an account** in the GOAMP site, you will **need your ID# from PSI**. After you pay for your exam, NERC provides your exam information to PSI. PSI sends each candidate an **Examination Eligibility Confirmation** email. This email provides the ID# that is needed to create an account and register for a test. The ID# begins with the prefix NRC (stands for NERC) followed by six numbers – NRC151515.
