

UNITED STATES OF AMERICA  
FEDERAL ENERGY REGULATORY COMMISSION

Version 5 Critical Infrastructure Protection  
Reliability Standards

Docket No. RM13-5-000

ERRATA NOTICE

(December 13, 2013)

On November 22, 2013, the Commission issued a Final Rule in the above-captioned proceeding, *Version 5 Critical Infrastructure Protection Reliability Standards*, 145 FERC ¶ 61,160 (2013).

This errata notice serves to correct P 16. Specifically, the reference to “eighth” in the seventh line of P 16 is changed to “[ninth].” The sentence as revised would thus read, “NERC requests that the CIP version 5 Standards become effective on ‘the first day of the [ninth] calendar quarter after a Final Rule is issued in this docket.’<sup>27</sup>”

Nathaniel J. Davis, Sr.,  
Deputy Secretary.
