To Whom It May Concern:

1. On July 30, 2010, the North American Electric Reliability Corporation (NERC) filed a Notice of Penalty in Docket No. NP10-149-000, regarding a \$25,000 penalty assessed by Texas Reliability Entity, Inc. (TRE).
2. On August 27, 2010, I issued a data and document request, which directed NERC and TRE to submit additional information no later than September 17, 2010, regarding the July 30, 2010 Notice of Penalty.¹ On September 17, 2010, I further extended the time

to October 8, 2010, to complete the review of responsive data.² On October 6, 2010, NERC filed a Motion for an Additional Extension of Time from October 8, 2010 up to and including November 8, 2010, to allow further meaningful consideration of developments regarding this matter and to finalize and file the data request.

3. Pursuant to authority delegated to me in section 375.311(g) of the Commission's regulations, 18 C.F.R. § 375.311(g) (2010), NERC's request to extend the time period to respond to the request for data and documents up to and including November 8, 2010 is granted.

4. Furthermore, pursuant to 18 C.F.R. § 375.311(v) (2010), I am further extending the time period for Commission consideration of the Notice of Penalty until December 9, 2010. If no further action is taken by the Commission by that date, the penalty in the Notice of Penalty will be deemed affirmed by operation of law.

5. If you have any questions, please contact Roger Morie at (202) 502-8446.

Sincerely,

Norman C. Bay
Director
Office of Enforcement
