

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

North American Electric Reliability Corporation

Docket No. RR09-6-000

NOTICE OF EXTENSION OF TIME

(August 19, 2010)

On June 15, 2010, the Commission issued an order granting North American Electric Reliability Corporation (NERC) an extension of time to comply with the Commission March 18, 2010 directive that NERC revise its Rules of Procedure that pertain to the development of Reliability Standards. *North American Electric Reliability Corp.*, 130 FERC ¶ 61,203, *order granting extension of time*, 131 FERC ¶ 61,237 (2010) (June 15 Order). The June 15, 2010 order granted NERC a 90 day extension of time to submit the proposed revisions, *i.e.*, until September 14, 2010.

Upon consideration of the significant issues that NERC must consider in developing proposed revisions to its Rules of Procedure, notice is hereby given that a further 90 day extension of time to comply with the March 18, 2010 directive in the above-captioned proceeding is granted to and including December 13, 2010.
