Re: NERC Administrative Citation Process Notice of Penalty regarding Conoco
Phillips Company, FERC Docket No. NP11-181-000

Dear Ms. Bose:

On April 29, 2011, the North American Electric Reliability Corporation ("NERC") submitted an Administrative Citation Process Notice of Penalty regarding eleven registered entities, including Conoco Phillips Company. By this filing, NERC corrects the NERC Violation IDs for the VAR-002-1.1b R1 and R3 violations. The Violation ID for the VAR-002-1.1b R1 violation should be TRE200900097 not TRE201000097 and the VAR-002-1.1b R3 violation should be TRE200900098 not TRE201000098. A revised spreadsheet with this errata correction also is enclosed. No other changes have been made.

Accordingly, NERC respectfully requests that the Commission accept this supplemental filing and issue an order consistent with the comments provided herein.

Respectfully submitted,

/s/ Rebecca J. Michael
