**Re: *North American Electric Reliability Corporation*  
FERC Docket Nos. RM06-16-009 and RM06-16-012**

Dear Ms. Bose:

On April 19, 2010, the North American Electric Reliability Corporation (“NERC”) submitted a Request for Rehearing and Motion for Stay of the Order Setting Deadline for Compliance. It has come to NERC’s attention that a reference to Reliability Standard BAL-003-0 was inadvertently included on page 2. The reference made should be to Reliability Standard TPL-002-0.

Accordingly, NERC respectfully requests that the Commission take note of this errata filing, and issue an order consistent with NERC’s filings submitted in this proceeding.

Respectfully submitted,

/s/ Holly A. Hawkins
