Docket No. RC11-2-000**

**JOINT MOTION FOR EXTENSION OF TIME TO SUBMIT COMPLIANCE FILING**

Pursuant to Rules 212 and 2008 of the Federal Energy Regulatory Commission's ("FERC" or the "Commission") Rules of Practice and Procedure, 18 C.F.R. §§ 385.212 and 385.2008, the North American Electric Reliability Corporation ("NERC"), the Western Electricity Coordinating Council ("WECC"), Cedar Creek Wind Energy, LLC ("Cedar Creek") and Milford Wind Corridor Phase I, LLC ("Milford") hereby submit a joint motion for extension of time from November 14, 2011 to December 2, 2011 to allow NERC to submit a compliance filing in response to the Commission's June 16, 2011 Order in the above-captioned proceeding.<sup>1</sup> The Commission's Order upheld the registration of Cedar Creek and Milford on the NERC Compliance Registry within the WECC region for the functions of transmission owner ("TO") and transmission operator ("TOP"). In addition, the Commission directed NERC to submit a compliance filing identifying the Reliability Standards and Requirements that will be applicable to Cedar Creek and Milford. As a result of a prior extension granted by the Commission, NERC's compliance filing currently is due on November 14, 2011.

NERC and WECC met with each of Cedar Creek and Milford by telephone on a number of occasions<sup>2</sup> to discuss the applicable Reliability Standards and Requirements in accordance with the June 16 Order. In person meetings were also held with Milford, on October 25, 2011
