Q2 Respondent skipped this question

Information about the nominator (if different from nominee):

Q3

Briefly describe the nominee's experience and qualifications to serve on the RISC:

Serve as Program Manager/Senior Vice President, Office of Corporate Compliance at Southwestern Power Administration.

Executive level employee with 35 years of diverse, progressive technical and management experience in the electric utility industry; having oversight of all NERC compliance activities, Office of the CIO/IT Division, and the Division of Environmental, Health, Safety and Security, including providing all administrative support for SWPA. Member and active participant in several industry working groups and organizations including MRO, SPP, NERC, APPA, ESCC, E-ISAC, and NATF. Also directly involved as a DOE employee with securing the nation's energy infrastructure, supporting the R&D efforts of the National Laboratories, and engaging with Federal agencies and the private sector regarding Supply Chain Risk Management associated with Executive Orders issued under the current Administration.

Formative years (20+) of career were spent as an Engineer and Project Manager over transmission, substation, system protection, telecommunications, and Supervisory Control and Data Acquisition Systems projects, providing a broad technical background from which to draw.

Q4

Select each area for which the nominee has expertise or oversight: Description of each Risk Profile can be found in the 2019 ERO Reliability Risk Priorities Report
