## 2018 and 2019 Projections

- No significant changes in personnel
- No significant cost changes in any program area or expense category; 3% escalation
- Assuming SPP RE remains on budget and excess cash is depleted as planned by the end of 2017, assessments would equal budget by 2018
  - Penalty payments, SPP Inc. charge true-up, and/or budget variances could cause assessments to diverge from the budget in any given year
  - Assessment stabilization will be managed on a yearby-year basis
