- PRC-006-1: Automatic Underfrequency Load Shedding

Prerequisite Approvals

- None

Revisions to Defined Terms in the NERC Glossary

- None

Applicable Entities

- Planning Coordinators
- UFLS entities shall mean all entities that are responsible for the ownership, operation, or control of UFLS equipment as required by the UFLS program established by the Planning Coordinators. Such entities may include one or more of the following:
 - Transmission Owners
 - Distribution Providers
- Transmission Owners that own Elements identified in the UFLS program established by the Planning Coordinators

Effective Date

This standard is effective on the first day of the first calendar quarter six months after the date that the standard is approved by an applicable governmental authority or as otherwise provided for in a jurisdiction where approval by an applicable governmental authority is required for a standard to go into effect. Where approval by an applicable governmental authority is not required, the standard shall become effective on the first day of the first calendar quarter after the date the standard is adopted by the NERC Board of Trustees or as otherwise provided for in that jurisdiction.

Retirement of Existing PRC-006-1

PRC-006-1 shall be retired at midnight of the day immediately prior to the Effective Date of PRC-006-2.
