Instructions for Commenting

If you experience any difficulties in using the electronic form, please contact [Arielle Cunningham](#). An off-line, unofficial copy of the comment form is posted on the [project page](#).

Next Steps

Additional ballots for the standards and non-binding polls of the associated Violation Risk Factors (VRFs) and Violation Severity Levels (VSLs) will be conducted as previously outlined. During the initial comment period, two ballot pools were formed (one to ballot the standards and one for the non-binding polls). For this ballot and non-binding poll, each standard and its associated non-binding poll will be balloted separately (for a total of two standard ballots and two non-binding polls). The original ballot pools will be used for the individual standard ballots and non-binding polls.
