

# Standards Announcement

## Project 2017-01 Modifications to BAL-003-1.1 Standards Authorization Request

Formal Comment Period Open through December 1, 2017

### [Now Available](#)

An additional Standards Authorization Request (SAR) for **BAL-003-1.1 Frequency Response and Frequency Bias Setting** was submitted by the Northwest Power Pool Frequency Response Sharing Group. A 30-day formal comment period on this SAR is open through **8 p.m. Eastern, Friday, December 1, 2017**.

### Commenting

Use the [Standards Balloting and Commenting System \(SBS\)](#) to submit comments. If you experience difficulties navigating the SBS, contact [Nasheema Santos](#). An unofficial Word version of the comment form is posted on the [project page](#).

*If you are having difficulty accessing the SBS due to a forgotten password, incorrect credential error messages, or system lock-out, contact NERC IT support directly at <https://support.nerc.net/> (Monday – Friday, 8 a.m. - 5 p.m. Eastern).*

- *Passwords expire every **6 months** and must be reset.*
- *The SBS is **not** supported for use on mobile devices.*
- *Please be mindful of ballot and comment period closing dates. We ask to **allow at least 48 hours** for NERC support staff to assist with inquiries. Therefore, it is recommended that users try logging into their SBS accounts **prior to the last day** of a comment/ballot period.*

### Next Steps

The drafting team will review all responses received during the comment period and determine the next steps of the project.

For more information on the Standards Development Process, refer to the [Standard Processes Manual](#).

For more information or assistance, contact Senior Standards Developer, [Darrel Richardson](#) (via email) or at (609) 613-1848.
