## Project 2017-01 Modifications to BAL-003-1.1

Drafting Team Nomination Period Open through July 3, 2017

### [Now Available](#)

Nominations are being sought for members of the Project 2017-01 Modifications to BAL-003-1.1 standard drafting team (SDT) through **8 p.m. Eastern, Monday, July 3, 2017**.

Use the [electronic form](#) to submit a nomination. If you experience any difficulties using the electronic form, contact [Nasheema Santos](#). An unofficial Word version of the nomination form is posted on the [Standard Drafting Team Vacancies](#) page and the [project page](#).

By submitting a nomination form, you are indicating your willingness and agreement to actively participate in face-to-face meetings and conference calls.

The time commitment for this project is expected to be two face-to-face meetings per quarter (on average two full working days each meeting) with conference calls scheduled as needed to meet the agreed upon timeline the team sets forth. Team members may also have side projects, either individually or by sub-group, to present for discussion and review. Lastly, an important component of the SDT effort is outreach. Members of the team will be expected to conduct industry outreach during the development process to support a successful ballot.

Previous SDT experience is beneficial but not required. See the project page and nomination form for additional information.

### Next Steps

NERC staff will present nominations to the Standards Committee in July 2017. Nominees will be notified shortly after the appointments have been made.
